**Face it.
Sometimes those leftovers
just have to go.**

Every now and again, the time comes to get rid of those pesky leftovers.

Which brings us to Charlie O'Shea, the Gulotta Patronage Machine's handpicked Tax Assessor.

Since taking office in 1998, O'Shea has been a typical member of the Gulotta Team, costing us a bundle while loading the Assessor's office with political friends.

Toss out Tax Assessor Charlie O'Shea, a leftover from Gulotta's Administration

- O'Shea under-assessed luxury waterfront and estate property values, forcing lower and middle income residents to foot the bill.
- O'Shea has hired political friends to work in the Assessor's office instead of licensed professionals.
- O'Shea has cost taxpayers hundreds of thousands of dollars as a result of unfair assessments.

On November 4th,
it's time to get rid of the leftovers.
Toss Charlie O'Shea.
